Join the Friends!

All over the country public libraries depend on the energy and generosity of friends groups like ours.

Organizations like ours help public libraries provide vital services and augment increasingly limited public funding.

Your membership in the Friends organization indicates that you value your public library. While not obligatory, active participation in the work of the Friends is encouraged and very welcome!

Our contributions...

The Friends is a local organization, founded in 1980 and dedicated to the support and enhancement of the Champaign County Library system. We donate funds for the purchase of supplies and programs that the library cannot provide from its own budget.

As you know, our funds come from membership dues, gifts, and special activities such as book sales.

Proceeds from the sales and other fundraising help augment library funds to sponsor events like the Summer and Winter Reading Programs, along with many others every year.
